

# *A Dissertation on Rhymation*

EVAN WALLACE

The preparation for navigation through creation of sensation.

Motivation for the formation of dictation with relation

to presentation of fascination for the education of the destination:

A vacation of rhymation; combination without duration.

No indication of aggravation, duplication or regurgitation.

Salvation through elation of implementation of incantation;

A demonstration of a population with infatuation for fabrication

of assimilation of decoration and alteration without hesitation.

An exclamation of the imagination for the correlation of the operation.

A salutation of gratification of determination sans reservation.
